OBJECTIVE

Detail-oriented and computer-literate individual seeking a Data Entry Clerk position. Brings accurate, fast typing ability, strong organizational habits, and hands-on database/SQL knowledge (HackerRank-certified across Basic, Intermediate, and Advanced levels) — a rare combination for entry-level data entry roles that gives added ability to spot errors, understand data structure, and work efficiently within spreadsheets and databases.

KEY SKILLS

- Fast and accurate data/typing entry
- Strong attention to detail and error-checking
- MS Excel, MS Word, and general computer literacy (TEVTA-certified)
- SQL: Basic, Intermediate & Advanced (HackerRank certified)
- Record-keeping and data organization
- Time management and ability to meet deadlines
- Fluent in English, Urdu, and Punjabi

EXPERIENCE

Data & Digital Intern

Jul 2026 – Sep 2026

Zameen.com — Pakistan's leading real estate portal

- [Add 1–2 lines here on any data entry, listings updates, or record-keeping tasks you handled]
- Maintained accuracy and consistency while working with structured data in a live business setting

Home Tutor

Ongoing

Private Tuition — School-level students
